

THE POLO CLUB OF BOCA RATON

THE POLO CLUB OF BOCA RATON is going through an evolutionary period. In May, the Club began a multi-phased makeover scheduled to conclude mid-2027. Nearly every inch of the 100,000 square feet will receive a facelift. Plus, the outdoor footprint is increasing to offer more expansive outdoor seating and dining.

Whether you want a food hall, pub, casual pool deck, or an upscale atmosphere, the Club has a restaurant offering to satisfy everyone's tastes. The Polo Patisserie, a bakeshop that will have homemade pastries, protein bars, coffee, ice cream, gelato, smoothies and more, is coming soon. Chefs at all eateries will have access to fresh, organic produce grown and harvested on-premises at the newly planted Vintage Roots Polo Farm by Cristian "Cris" DeRusha, Director of Farming.

To work up an appetite, the Club offers swimming, golf, tennis, pickleball and a Spa & Fitness Center featuring all of the health and wellness services you can imagine. Fresh off completely reimagining one of two courses, the Club Course, another exciting addition is the introduction of "TopTracer" at their driving range, which uses technology to track how far golfers' hit the ball.

Throughout the year, the Club hosts galas, parties, dinner shows, concerts, comedians, cabarets, authors, lecture series and field trips to cultural experiences throughout Florida.

"OUR MEMBERS WILL BE BUSY AND ENTERTAINED THROUGHOUT THE RENOVATION AS WE ARE KEEPING OUR CALENDARS FULL WITH ACTIVITIES. WORK WILL BE DONE IN PHASES SO WE CAN KEEP AREAS OF THE CLUBHOUSE OPEN THROUGHOUT THE PROCESS."
